

National Recognition

One of the most important features of the Australian Quality Training Framework is the national recognition of training organisations and qualifications including Statements of Attainment.

Under National Recognition a registered training organisation must accept the credentials issued by another registered training organisation based in any State/Territory of Australia. Technical Advanced Training undertakes to ensure that all Certificates and Statements of Attainment issued by any other registered training organisation are accepted as valid. Your Qualification or Statement of Attainment issued by Technical Advanced Training will be recognised Australia wide under these arrangements.

Course Aims & Objectives

The aim of the Certificate III in Security Operations (Armed Guard /Cash-in-Transit) Licensing program is to develop student understanding in providing operational security services in the context of high risk asset protection.

Entry Requirements & Prerequisites

It is a legal requirement in the State of Victoria that persons employed to conduct the duties of an Armed Guard and or Cash in Transit Officer be fully trained to a minimum standard and licensed by the Licensing & Regulatory Division – Victoria Police.

You will be required to complete a fingerprinting hence, it is important you have and continue to maintain a clear criminal record. Technical Advanced Training will assist you in applying for your Fingerprinting and Individual Private Security Licence to the Licensing and Regulation Division (LRD) – Victoria Police
In addition to the above you will be required to go through the institutes Pre-Training Review Process; this will include completing a Language, Literacy and Numeracy Appraisal. This is to ensure you have the skills required to successfully complete this training.
Further information about complying with licensing requirements in Victoria can be obtained from LRD on 1300 651 645.

Literacy Language and Numeracy

Assistance and support will be provided with Literacy, Language and Numeracy issues.

Assessment and Course Duration

Students will be required to be assessed in this program to demonstrate they have achieved the skills and knowledge set out in the competency standards/modules.
Assessments include open book questions, practical shoot and a closed book test.

Resources & Facilities

Prospective Security students will be provided with the required learning resources and equipment. Classes will be conducted as required in an appropriate learning environment. We recommend you bring an exercise book to keep track of your learning.
