National Recognition

One of the most important features of the Australian Quality Training Framework is the national recognition of training organisations and qualifications including Statements of Attainment.

Under national recognition a registered training organisation must accept the credentials issued by another registered training organisation based in any State/Territory of Australia. Technical Advanced Training undertakes to ensure that all Certificates and Statements of Attainment issued by any other registered training organisation are accepted as valid. Your Qualification or Statement of Attainment issued by Technical Advanced Training will be recognised Australia wide under these arrangements.

Enrolment

Students are required to complete a Pre-Training Review form and an Enrolment Application form, available from Reception at Suite 15, 11 – 17, Pearcedale Parade, Broadmeadows VIC 3047.

NATIONALLY RECOGNISED TRAINING

Registered Provider No. 22274

AVI20118

Certificate II in Transport Security Protection

Version 1: 20220606

Course Aims & Objectives

The course will be designed to provide training for Screening Officers in security-controlled environments at airports and/or seaports and/or air cargo facilities.

It will assist students in undertaking routine screening duties and to follow established practices in the workplace in a safe manner.

Entry Requirements & Prerequisites

The prerequisite for the AVI20118 Certificate II in Transport Security Protection is to first apply and obtain a 'JOB READY' Certificate for an ASIC.

You will also go through the institutes Pre-Training Review Process; this will include completing a Language, Literacy and Numeracy Appraisal. This is to ensure you have the skills required to successfully complete this training.

Literacy Language and Numeracy

Assistance and support will be provided with Literacy, Language and Numeracy issues.

Assessment and Duration

Students will be required to be assessed in this program to demonstrate they have achieved the skills and knowledge set out in the competency standards/modules.

Assessments include open book questions, workplace projects and practical observation / demonstration on Cabin X-ray Machine, ETD, HHMD, WTMD and QPS (Quick Personnel Security) Body Scanner.

For **Air Cargo Examination Officer Screener** training, Course Duration is 8 days, face to face delivery, Monday to Friday from 8.30am to 4.30pm.

For **Domestic / International Airport and Maritime Screener** training, Course Duration is 12 days, face to face delivery, Monday to Friday from 8.30am to 4.30pm.

The <u>full course</u> covering all pathways, Course Duration is 15 days, face to face delivery, Monday to Friday from 8.30am to 4.30pm.

Resources & Facilities

Students will be provided with the required learning resources and equipment. Classes will be conducted as required in an appropriate learning environment.

Completion Requirements

To achieve this qualification the student must have demonstrated competency against all units below
